### Method of assessment

Informal assessment takes place in Year 7 through everyday teaching and marking.

Formal assessment takes place every half-term, where students are assessed on their progress in two skill areas (1st Half- Listening and Reading, 2<sup>nd</sup> Half- Speaking and Writing) and in their knowledge and application of grammar. In addition, students are expected to complete one focused piece of writing per module.

In the end of year examination, students are tested on all aspects of the course.
