St. Martin-in-the-Fields High School is a Church of England school for girls. 60% of places each year are Foundation Places for which priority is given to girls from families who regularly worship in a Christian Church (Anglican or affiliated to Churches Together, the Evangelical Alliance or the Afro-Caribbean Evangelical Alliance) at least once a fortnight. Parents applying for a Foundation Place are asked to obtain the support of their Minister of Religion. Please would you kindly complete this form giving as much detail as possible. Whatever help you can give will be crucial in deciding whether or not the family's application for a Foundation Place is justified. You are reminded that the information given may be quoted at an Appeal hearing if it is not possible to admit the child.
