Lambeth Back on Track Service

Are you 16-18?

- The Back on Track team offers friendly support and guidance to young people who want to get back into **education, employment and/or training**.
- Tailored **one-to-one support** is available for Lambeth residents who are in school/college years 12-13 or are about to join.
- We work with you to achieve your career goals, linking you into local opportunities, and can refer you into training, work placements, full and part-time employment and apprenticeships.
- We work closely with schools, colleges, employers, and training providers, finding the right opportunities for you.
