Dear Families

EASTER REVISION PROGRAMME TUESDAY 3 APRIL TO FRIDAY 13 APRIL 2018

I am writing to inform you that during the Easter holiday, we will be having a comprehensive programme of revision for all Year 11.

The focus of these sessions will be to support students and to help them to achieve the best possible grade in the forthcoming examinations. We feel that this is an ideal opportunity for many of our students to gain more practice in examination technique and benefit from extra support to build their confidence.

All of the students in Year 11 will benefit from attending these sessions. In the main, they can decide which sessions to attend, however, your daughter will be informed and you will be contacted with subjects that it is imperative she attends.

A copy of the programme is included with this letter. Please stress the importance of this revision programme to your daughter and ensure that she attends the sessions to which she has been directed and to those she feels would be of most benefit.

May I take this opportunity to thank you for your continued support .

Yours Sincerely

S Wilson
