Dear Families

FREE SCHOOL MEALS PROVISION

The ongoing demand for vouchers is continuing and resulting in a delay of these being sent to schools.

After spending much of today trying to track down not only where our order is, and when we will receive our order, we have been left with no specific answers to our questions.

So for now we will continue to operate a service in our Dining Plaza and your daughter can come to school between 12.30pm and 1.00pm to sit and have a hot meal or take it away. If you wish your daughter to come into school for a meal or takeaway, please let us know so that we can cater for the appropriate number of students.

We will operate a service in school for students eligible for a Free School Meal from Monday 30 March and probably for the rest of the week until 3 April.

I really hoped to have had better news for you by now, but you appreciate these are very difficult times. The government has not confirmed their strategy which was also due to start next week, so at the moment we are in limbo.

Many apologies for the inconvenience this has caused, but it is out of our control.

I will write to you again once we have a confirmed delivery date for the vouchers and the government has confirmed their e-voucher scheme.

Yours sincerely

Beverley Stanislaus
Headteacher
